Important Questions	Answers	Why This Matters
What is the overall deductible?	For CTHS Providers: \$500/Individual, \$1,000/Family For In-Network Providers: \$1,000/Individual, \$2,000/Family For Out-of-Network Providers: \$2,000/Individual, \$4,000/Family	Generally, you must pay all of the costs from providers up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
Are there services covered before you meet your deductible?	Yes, Preventive care; office visits and prescription drugs.	This plan covers some items and services even if you haven't yet met the deductible amount. But a copayment or coinsurance may apply. For example, this plan covers certain preventive services without cost sharing and before you meet your deductible. See a list of covered preventive services at https://www.healthcare.gov/coverage/preventive-care-benefits/ .
Are there other deductibles for specific services?	Yes, \$50/person for prescription drugs.	You must pay all of the costs for these services up to the specific <u>deductible</u> amount before this <u>plan</u> begins to pay for these <u>services</u>
What is the <u>out-of-pocket</u> <u>limit</u> for this <u>plan</u> ?	For CTHS and In-Network Providers: \$4,500/Individual, \$9,000/Family For Out-of-Network Providers: \$9,000/Individual, \$18,000/Family	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limit</u> until the overall family <u>out-of-pocket limit</u> has been met.
What is not included in the <u>out-of-pocket limit</u> ?	Premium, Balance Billing Charges and Health Care this plan does not cover	Even though you pay these expenses they don't count toward the out-of-pocket limit.
Will you pay less if you use a <u>network provider</u> ?	Yes. See https://uhealthplan.utah.edu/carsontahoe/ or call 833-661-3915 for a list of network providers .	You pay the least if you use a <u>provider</u> in CTHS. You pay more if you use a <u>provider</u> in In-Network. You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the provider's charge and what your <u>plan</u> pays (<u>balance billing</u>). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a <u>referral</u> to see a <u>specialist</u> ?	No	You can see the specialist you choose without a referral.

All **copayment** and **coinsurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies.
