Paying for health care can be confusing and time-consuming

You have to figure out what's covered by your accounts, remember your balance, and determine where to pay your bills and keep track of your receipts — a challenge when you're not in front of a computer. The Optum Financial mobile app makes it easy. It has the tools you need when you're on the go.

- Track your balance, recent transactions and annual contribution limits.
- Capture and submit receipts, and add receipts to specific expenses.
- Pay bills, track payments and reimburse yourself.
- Search for qualified medical expenses.
- Make a health savings account (HSA) contribution through mobile check deposit or a bank transfer.
- Get a quick account snapshot anytime and sign in using facial recognition.
- If you have an HSA, see how you can maximize your account by viewing your progress through the 5 Stages of Health Saving and Spending.

App features do not apply to all products. Some app features may be available in later releases.

Health savings accounts (HSAs) are individual accounts offered through Optum Bank®, Member FDIC, or ConnectYourCare, LLC, an IRS-Designated Non-Bank Custodian of HSAs, each a subsidiary of Optum Financial, Inc. Neither Optum Financial, Inc. nor ConnectYourCare, LLC is a bank or an FDIC insured institution.

HSAs are subject to eligibility requirements and restrictions on deposits and withdrawals to avoid IRS penalties. State taxes may apply. Fees may reduce earnings on account. This communication is not intended as legal or tax advice. Federal and state laws and regulations are subject to change.
