

Group Critical Illness Insurance

Plan for the Costs of a Serious Illness So You Can Focus on Getting Well.

1 You get a critical illness diagnosis

Your health insurance covers many of your treatment costs, but you still have a lot of expenses that your finances aren't ready for.

2 The Standard is there for you

The Standard helps shield your finances by paying benefits directly to you. And you get to decide how you spend that money.

3 Focus on getting better

With The Standard helping cover your out-of-pocket or everyday expenses, you get to concentrate on what's most important to you, getting better.

Here's what it does:

- **Pays you directly**, so you can choose how to spend the money
- **Goes with you** if you leave your employer
- **Provides coverage** without answering any medical questions
- **Covers children** at a 50% of your benefit amount at no additional cost
- Gives you the option to **cover your spouse**

This coverage from Standard Insurance Company (The Standard) helps fill the gap caused by out-of-pocket costs, creating a financial safety net for you and your family.

Here's how it works:

Cancer: Shayna beat cancer, but faced many costs she didn't expect. There were her medical plan's copays for doctor visits and what she owed for chemotherapy after meeting her deductible. She also bought hair prosthetics, paid for travel to specialists, and had alternative treatments. The benefits from Shayna's Critical Illness insurance helped cover the expenses. And, her plan also gave her access to Health Advocate™. Through this service, Shayna received the support of a personal guide who helped her make sense of her diagnosis and treatment options.

You choose your coverage amount. Here's an example of what each benefit could cover:

Example Of Out-Of-Pocket Expenses

| | |
|--|-----------------|
| Medical plan | \$1,400 |
| Lost wages | \$5,000 |
| Alternate treatments and diets not covered by medical plan | \$4,500 |
| Total Out-Of-Pocket Expenses | \$10,900 |

| Total Out-Of-Pocket Expenses | \$10,900 | \$10,900 |
| Remaining Out-Of-Pocket Expenses | \$900 | \$0 |
| Remaining Benefit For Other Expenses | \$0 | \$9,100 |

These are the benefit options you may elect:

IMPORTANT NOTICE TO PERSONS ON MEDICARE: THIS IS NOT MEDICARE SUPPLEMENT INSURANCE

Some healthcare services paid for by Medicare may also trigger the payment of benefits from this policy.

This insurance pays a fixed dollar amount, regardless of your expenses, if you meet the policy conditions, for one of the specific diseases or health conditions named in the policy. It does not pay your Medicare deductibles or coinsurance and is not a substitute for Medicare Supplement insurance.

Medicare generally pays for most or all of these expenses.

Medicare pays extensive benefits for medically necessary services regardless of the reason you need them. These include:

- Hospitalization
- Physician services
- Hospice
- Outpatient prescription drugs if you are enrolled in Medicare Part D
- Other approved items and services

This policy must pay benefits without regard to other health benefit coverage to which you may be entitled under Medicare or other insurance.
