CEO LETTER

Michelle Joy

CEO & President, Carson Tahoe Health

Dear Community and Carson Tahoe Health Family,

As we reflect on 2025, I am incredibly proud of what we have accomplished together as One Team.

This year has been defined by growth, compassion, and a shared commitment to meeting the needs of our community. From expanding access to care and advancing clinical innovation to strengthening our focus on youth mental health, our team continues to make a meaningful difference in the lives of those we serve.

The progress outlined in this report is a direct reflection of our people—our caregivers, providers, staff, volunteers, and supporters—who bring dedication and heart to everything they do. I am deeply grateful for the trust our community places in us and for the generosity of those who support our mission.

As we look ahead, we remain focused on what matters most: improving access, delivering high-quality care, and building a healthier future for our region.

Thank you for being part of the Carson Tahoe Health community.

*With gratitude,
Michelle Joy*

ABOUT US Your Community Hospital Since 1949

Carson Tahoe Health is an independent, not-for-profit health system serving Northern Nevada since 1949. For more than 75 years, we’ve grown alongside our community—evolving from a single hospital into a fully integrated network delivering advanced care that remains personal and close to home.

Today, we provide comprehensive services including a regional medical center, emergency and urgent care, a robust provider network, and outpatient and behavioral health care. Through strong partnerships and academic affiliations, we bring leading expertise to our region while ensuring care stays accessible and community-centered.

Our work is grounded in our core values: putting people first and treating everyone with dignity and respect.

COMMUNITY BENEFIT & WELLNESS

Expanding Access to Care

Carson Tahoe Health’s 2025 Community Health Needs Assessment (CHNA) identified mental health—especially youth mental health—as the community’s most urgent and growing need, followed by improving access to care. These priorities are guiding our strategic focus and shaping how we invest in the health of our community.

Meeting the Community’s Most Urgent Needs

In 2025, Carson Tahoe Health expanded youth behavioral health services—offering 24/7 crisis care, treatment, and prevention

programs like Vehicles of Change. Together, these efforts increase access, build resilience, and support a healthier future for local youth.

Building on these priorities, we expanded community outreach efforts—bringing prevention, education, and support directly to those we serve. These initiatives promote early detection, healthier lifestyles, and improved access to essential services while helping address ongoing access to care challenges across our region.

These efforts extend beyond clinical care—meeting people where they are and strengthening connections across Northern Nevada.

Participated in 8 health fairs

Joined 45 Community Events

Hosted 2 clothing drives

Hosted 3 blood drives

Invested \$135,734 in FISH Lab and Imaging services to support access to essential diagnostics and preventive care

Parade of Hope

The Parade of Hope reflects commitment in action. 616 Employee Donors

What’s the number one reason why they donate? They believe in our mission.

“I give so others can get care with no fear.”

“I dontate to lead by example and to support making our community a better place.”

A GROWING NEED

Kids today face unprecedented challenges, with isolation and social pressures impacting resilience and well-being. Nevada ranks among the worst in the nation for youth mental health—at Carson Tahoe Health, we believe our kids deserve better.

OUR RESPONSE

Through Healing Our Kids & Community, Carson Tahoe is expanding access, reducing stigma, and strengthening support for youth and families. It’s more than an initiative—it’s a movement to change the future of youth mental health.

VEHICLES OF CHANGE

Care beyond hospital walls. Vehicles of Change delivers no-cost, play-based support to the community—helping kids build resilience, connection, and confidence.

IN ACTION

In 2025, the Vehicles of Change reached youth and families across multiple community events throughout the region and launched a pilot program in partnership with the Boys & Girls Club—expanding access and meeting kids where they are.

HOW IT WORKS

Through activities like cooking, drumming, art, movement, and mindfulness, youth develop essential life skills in a safe, supportive environment.

- Builds resilience and confidence
- Strengthens connection and emotional well-being
- Provides accessible support across our quad-county region

LOOKING AHEAD

In 2026, we look forward to growing Vehicles of Change—expanding into local schools and reaching more youth across our four counties to build resilience and support the next generation.

TOGETHER, WE CAN DO BETTER

Because every child deserves the opportunity to feel connected, supported, and strong.
