President's Message

It is November and it's finally turning into fall. The leaves are beautiful and the rain is great.

We had our Monte Carlo Fundraiser at the bowling alley and the turnout was fantastic. You need to come to the November meeting to get the particulars (which will be in the December newsletter), we hope it will become an annual event. Thank you to all who donated and participated.

Deborah has sent our Articles of Incorporation revision to all via email. Please read it over so we can discuss at the November meeting with the vote at December's.

Thank you again for the great participation in donating the candy for the Governor's Mansion this Halloween. Let's make this a banner year!

See you at the meeting.

Celebrating our Caregivers:

The Carson Tahoe Health Auxiliary is proud to help our caregivers grow through Advanced Scholarship funding. In upcoming newsletters, we'll celebrate those who have used this support to reach new goals and continue making a difference every day. We continue with:

October 2026:

- Liza Karla May Hernanedez, Certified Medical Surgical RN, Surgery/Ortho, Surgery/Ortho
- Holly Sentell, NAHQ Micro-Credentials, Performance and Process Improvement, Quality

We receive thank you letters from many of these caregivers; they will be shared in an uipcoming newsletter.

Articles of Incorporation

As of last year, our Auxiliary has been in 'official' business for fifty (50!) years and based on its original incorporation documents, it had to be renewed at the Nevada Secretary of State and was. During the renewal, it was determined that the documents were out-of-date, both in legal language and content. The decision of the board was to review and revamp them to meet current legal standards and file along with the corporation's regular annual report to the state in early 2027.

What this means for you:We recently sent out an email with the revamped Carson Tahoe Health Auxiliary, Incorporated, revised Articles of Incorporation for your review. It was sent out as a WORD document; if you cannot read it, please email Sandy at **auxiliarycth2024@gmail.com** and she will send a PDF copy. If you have any questions about the contents of the document, please email Deb Villalobos at **debvillalobos@comcast.net** with them and she will respond.

The next step, our governing documents require we go through a 2-step review and vote. This vote happens at two subsequent Members' meetings this November and December 2026. This will enable us to file the revised Articles of Incorporation with our annual report in early 2027. We hope to see you at the luncheons!
