President's Message

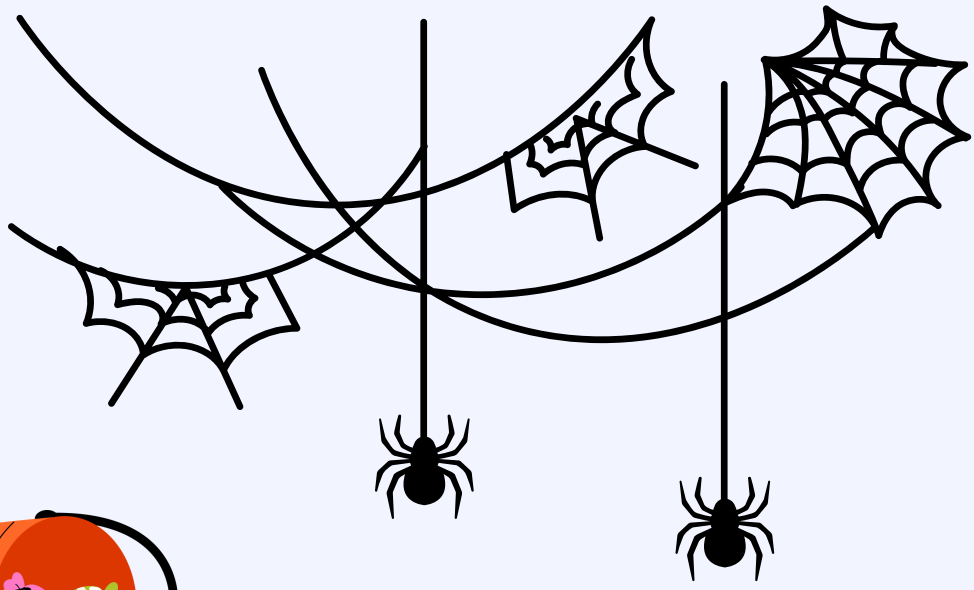
Fall weather has been elusive this year, but the autumn colors are here and beautiful. Our October Members' meeting is on the 13th, and we hope to see you there. Carson City Mayor Lori Bagwell will be our guest speaker.

Please bring a large bag of candy for our annual donation to the Governor's Mansion Trick-or-Treat Night. The many children who visit the mansion will appreciate your generosity!

Our inaugural bowling tournament is coming up on the 24th at noon at Homegrown Bowl. I have some great raffle prizes but could use a few more. It is also a fun event! For those that are new to the "Monte Carlo" style event, check out the section further down the in the newsletter so you can explain to your friends and family.

See you at the meeting.
Adrienne

BRING HALLOWEEN CANDY TO THE OCTOBER MEETINGS!



WHAT IS MONTE CARLO

Here's some of the "Monte Carlo" rules for the tournament on October 24 (see the flyer at the end of the newsletter). This is much different than just scoring your regular points... There are many ways to make money from this tournament! Read on.

- ·This is a no-tap event, meaning that knocking down nine pins with your first ball counts as an automatic strike.
- ·If the head pin or certain other pins are red, yellow, blue, or a combination of those colors, you can win money by bowling a natural strike and knocking down all 10 pins. For example, a red head pin pays 75 cents, and a blue head pin pays $1.00. A guide listing all payouts will be available on every lane, and spotters will be present.
- ·Tickets will also be available for cash strike pots, designated spares, and other challenges.
- ·Ticket sellers will offer extra strike-pot tickets; one ticket is included with entry.
- ·A ticket seller will be available for the 50/50 drawing.
- ·Raffle tickets will also be available; one ticket is included with entry.

I pulled the below from the government website at: https://www.carsoncity.gov/government/board-of-supervisors/discover-your-ward/mayor-lori-bagwell Go to this link for more information.

Lori has lived in Carson City since 1966 and began her education in the Carson City School District and graduated from Carson High. She then earned her Associate Degree from Western Nevada Community College and a Bachelor's degree from Liberty University.

.....

Her unparalleled commitment to help others was demonstrated by her passion in establishing a capital campaign for a local non- profit. This successful campaign provided the necessary funds to ensure the ongoing success of the organization and enabled them to expand vital services to Carson City residents.

.....

Lori has gained a reputation for problem solving through collaboration. She is known for her expertise in budgeting with a thorough knowledge of financials. Her drive for success is measured by helping others achieve their goals.
