

## *Your Gift Meant Something in 2021*

Thank you for supporting the health and well-being of your neighbors and our community. In a year with plenty of problems, **you** were part of the solutions.

*Your gift* to the **Merriner Cottages** helped someone like Lynn, who needed an electrophysiology procedure but lives in Winnemucca. Lynn's wife was able to stay in a Merriner Cottage and said, "I was so relieved to be just across the parking lot from him as he underwent his procedures and recovered." The cottages provided 2,148 stays for people in 2021 alone.

*Your gift* to the **Cancer Resource Center** helped Michael, a 28-year-old with brain cancer, pay for groceries and lodging during treatment. The Cancer Resource Center had 2,988 appointments in 2021 focused on supporting patients in navigating cancer diagnoses, treatment, and survivorship.

*Your gift* to **Behavioral Health Services** can help fund community outreach programs to enhance mental wellness in our schools or support people experiencing crises.

*Your gift* to **Caregiver Support** helps the people who care for you take care of themselves. You helped 2,000 health workers in all 58 Carson Tahoe Health departments access the Calm app's physical and emotional health support, so they can keep showing up for you and your families.

*Your gift* to **Cardiac Services** supported the equipment our community needs to perform ablations of the heart and treat common cardiac conditions like A-Fib, Atrial Flutter, and more, right here in Carson City. Since onboarding in July, Dr. Jeffrey Turner has completed 65 cases, far exceeding initial estimates.

*Your gift* to the **Community Fund** helped a teen with suicidal ideation get discharged to an appropriate level of care by providing their family gas cards to travel to one of Nevada's only adolescent mental health programs in Vegas.

*Your gift* to the **Area of Greatest Need** at Carson Tahoe Health has funded safer roads for our community by updating the only Driving Simulator in the region. It also funded greater access to physical therapy by purchasing equipment for both Minden and Carson City locations.

On behalf of our patients, staff,  
and the community we serve,

*Thank You for your  
generosity and support!*
