CUTTING EDGE TREATMENT

Our state-of-the-art technologies, acclaimed experts and life-changing procedures continue to make us a leading healthcare provider in the region. Some of our advanced technologies include: Advanced Hybrid Operating Suites, CardioONE 3-D mammography, open-heart surgery, a state-of-the-art cardiac cath lab, as well as, all-new leading-edge imaging modalities like the GE 3T MRI located inside Nevada's first GE "Patient Caring Suite."

STATE-OF-THE-ART FACILITIES

Nestled among the Sierra Nevada foothills in North Carson City, our ultra-modern 80-acre, master planned medical campus utilizes stunning, innovative architecture designed to "bring the outdoors in." This contemporary, serene setting embraces the healing forces of nature, creating a caring, nurturing environment for our employees, patients and their loved ones close to home.

COMMUNITY FOCUS

Carson Tahoe Health is one of a select group of medical institutions that understands that a patient is more than just an illness. We are committed to treating the whole person, offering an array of services to meet community needs, and providing exceptional care in a tranquil healing environment. Our culture of teamwork, compassion, and professionalism continues to take healthcare in our community to new heights.
